PROFILE

Detail-oriented Computer Science and Engineering undergraduate with hands-on experience in solo web development, technical automation, and project coordination. Skilled in building marketplace-ready applications from concept to execution with a focus on clean, functional code.

EDUCATION

United International University *Dhaka, Bangladesh*
Bachelor of Science in Computer Science and Engineering | Final Year (Ongoing) 2021 - 2026

- Relevant coursework in Object-Oriented Programming (OOP)
- Data Structures & Algorithms and Database Management.

Stamford College, Dhanmondi *Dhaka, Bangladesh*
Higher Secondary Certificate (HSC) | GPA: 4.00 | 2019

SKILLS

Technical: PHP, JavaScript, HTML, CSS, SQL, Database Management, Python, Scripting

Tools: GitHub (Version Control), Video Editing, Automation Workflows, Project Management.

EXPERIENCE

Freelance Web Developer *Remote*
Junior Web Developer 05/2024 – Present

- Developed custom scripts based on client requirements using PHP and JavaScript to resolve system bugs.
- Optimized legacy code and improved website performance and functionality through modern development standards.

Independent Technical Contractor *Dhaka, Bangladesh*
Solo Technical Specialist 2023 – 2024

- Functioned as a third-party executor, developing and deploying custom web projects solo for marketplace entry.
- Managed end-to-end technical requirements, from database schema design to responsive frontend implementation.
- Developed automation scripts and high-quality video content to streamline digital product workflows.

PROJECTS

AI-Based Class Schedule Generator 08/2025 – 02/2026

- Developing an optimized university routine generator using React to verify student eligibility and scheduling logic.

PlantIQ – IoT Monitoring System 08/2025 – 10/2025

- Built an IoT system using NodeMCU and PIR sensors to monitor soil moisture, temperature, and humidity.
- Implemented hardware-to-software integration for real-time environmental data tracking.

ACHIEVEMENTS

- Project Management: Completed detailed software estimation and risk reports for the StudyXchange platform.
- Competition: Volunteer performer in the Hult Prize Business Competition.
